

Welcome to Freaky Fun!

This little booklet contains a few creepy Halloween characters for you to print, colour, and bring to life. Each drawing comes from the spooky lab where my Halloween stories and ideas are created.

Some characters may give you a shiver, others a smile - but all are waiting for your imagination. It is time to grab your pens, pencils, or crayons, and let the colouring begin!

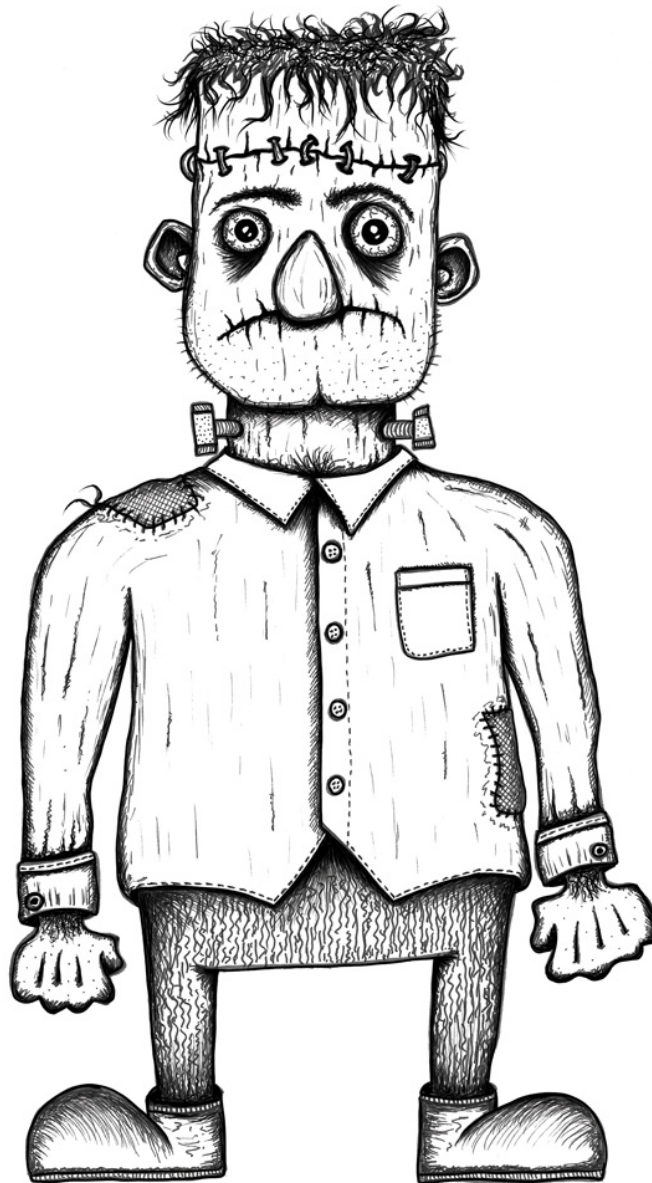

Wishing you a fun and creative Halloween.

A handwritten signature in a cursive, flowing script, appearing to read 'MJ Ward'.
